Committee on Sanitary and Phytosanitary Measures

Original:

NOTIFICATION

Addendum

The following communication, received on # Month Year, is being circulated at the request of the Delegation of New Zealand.

MAFBNZ Import Health Standard: Importation of Coco peat and Coir Fibre Products. Notice of amendment dated 13 March 2009.

The amendment makes minor changes to the options for importation

1. Retention of the glasshouse option.
2. An extra option for a grow out test in New Zealand has been added (for countries unable to provide a government grow out test).
3. There is minor re-wording of the documentation requirement for the option with a grow out test in the exporting country.
4. There is provision for a manufacturer's certificate for heat sterilised products, where a phytosanitary certificate is not available.
5. Section 5 further clarifies the penalties regarding seed/seedling interceptions.

This addendum concerns a:

- Modification of final date for comments
- Notification of adoption, publication or entry into force of regulation
- Modification of content and/or scope of previously notified draft regulation
- Withdrawal of proposed regulation
- Change in proposed date of adoption, publication or date of entry into force
- Other:

Comment period: *N/A*

Agency or authority designated to handle comments: National Notification Authority, National Enquiry Point. Address, fax number and E-mail address (if available) of other body:
