### IMPORT HEALTH STANDARD FOR HORSES FROM AUSTRALIA

The Ministry of Agriculture and Forestry (MAF) Biosecurity New Zealand has officially recognised Australia's free status for equine influenza as per the OIE Code. The import health standard for horses from Australia has been issued as final on 6 January 2009. Trade has resumed under these new import conditions that no longer include quarantine restrictions.

This addendum concerns a:

- Modification of final date for comments
- Notification of adoption, publication or entry into force of regulation
- Modification of content and/or scope of previously notified draft regulation
- Withdrawal of proposed regulation
- Change in proposed date of adoption, publication or date of entry into force
- Other:

Comment period: *(If the addendum extends the scope of the previously notified measure in terms of products and/or potentially affected Members, a new deadline for receipt of comments should be provided, normally of at least 60 calendar days. Under other circumstances, such as extension of originally announced final date for comments, the comment period provided in the Addendum may vary.)*

- Sixty days from the date of circulation of the addendum to the notification and/or (dd/mm/yy):
