## NOTIFICATION

### Addendum

The following communication, received on # Month Year, is being circulated at the request of the Delegation of NEW ZEALAND.

### Shelf-stable Spray-dried Egg Powders/Crystals

The import health standard for egg powders or egg crystals from specified countries was made final for trade on 18 September 2009. Specified countries include Canada, the United States of America, The European Union member countries and Australia. Import health requirements consist of adequate heat treatment combined with disease freedom (for notifiable avian influenza (NAI) and Angara disease).

This addendum concerns a:

- Modification of final date for comments
- Notification of adoption, publication or entry into force of regulation
- Modification of content and/or scope of previously notified draft regulation
- Withdrawal of proposed regulation
- Change in proposed date of adoption, publication or date of entry into force
- Other:

Comment period: *(If the addendum extends the scope of the previously notified measure in terms of products and/or potentially affected Members, a new deadline for receipt of comments should be provided, normally of at least 60 calendar days. Under other circumstances, such as extension of originally announced final date for comments, the comment period provided in the Addendum may vary.)*

- Sixty days from the date of circulation of the addendum to the notification and/or (dd/mm/yy):

Agency or authority designated to handle comments:  National Notification Authority,  National Enquiry Point. Address, fax number and E-mail address (if available) of other body:
