

**a) Does/could the plant harm natural and physical resources (as defined by section 2 Biosecurity Act 1993)?** (please tick as appropriate)

- (a) Organisms of all kinds
- (b) The air, water, and soil in or on which any organism lives or may live
- (c) Landscape and land form
- (d) Geological features
- (e) Structures of all kinds
- (f) Systems of interacting living organisms and their environment

  
  
  
  
  

**Harm Caused to Natural and Physical Resources**

(please provide supporting literature, if available)

**b) If plant is present in New Zealand, which specific natural and physical resources are harmed; or**

**If plant is not present in New Zealand, which specific natural and physical resources could potentially be harmed:**

**c) Which specific natural and physical resources are harmed by the plant overseas:**

**d) Describe the harm that is caused or could potentially be caused by the plant in New Zealand:**

**e) Describe the harm that is caused by the plant overseas:**

#### 4. Distribution

Please provide supporting literature, if available

<b>a) Is the plant present in New Zealand?</b>	<b>Yes/No</b>
<b>b) If present in New Zealand, what is the plants status in New Zealand? (e.g. fully naturalised, present in cultivation only)</b>	
<b>c) If present in New Zealand, describe the distribution of the organism in New Zealand</b> Please indicate if you are only familiar with a certain region	
<b>d) If not present, could the plant survive could it form self-sustaining populations and cause problems if it was present in New Zealand</b> Please describe the harm	<b>Yes/No</b>
<b>e) If present, is the plant propagated or sold?</b> Please indicate who would be propagating, selling and purchasing and for what purposes	<b>Yes/No</b>

<p><b>f) If the plant is not currently propagated or sold, could it potentially be and how likely is this?</b>  Please indicate who could be propagating, selling or purchasing the plant or plant products, or listings in gardening books or internet gardening sites.</p>	<p>Yes/No</p>
<p><b>g) If the plant is present in New Zealand, are you aware of any situations where the plant is kept:</b></p> <ul style="list-style-type: none"> <li>▪ for display (eg. a zoo, aquarium, botanical garden, museum);</li> <li>▪ for research; or</li> <li>▪ for scientific purposes</li> <li>▪ for other purposes not included above</li> </ul> <p>If yes, please indicate situations:</p>	<p>Yes/No</p>
<p><b>h) Identify who might be adversely affected if the organism is determined as an unwanted organism (eg. harvesters, producers, growers, tangata whenua)</b></p>	
<p><b>i) Is the organism controlled in New Zealand by any means?  If yes, how? e.g.</b></p>	<p>Yes/No</p>
