

**MAF BIOSECURITY NEW ZEALAND
IMPORTING COUNTRIES PHYTOSANITARY
REQUIREMENTS
NORFOLK ISLAND**

Status: Approved

Date: 22 August 1995

Amendment Record

Amendment No.	Date:	Nature of amendment:	Approved by:
1.	28 October 1998	Addition of cover page and disclaimer statement.	SCO
2.	29 June 1999	Reformatting for website – no change to content	SCO
3.	14 February 2003	Renaming and reformatting of standard. Amendment to Section 2.1 re MPLs.	WJH
4.	3 February 2005	Amendment of MAF contact details Section 1.1 and 1.2. Minor reformatting of document.	WJH
5.	26 March 2007	Amendment of MAF contact details Section 1.1	SW
6.	22 May 2009	Reformatting	GI
7.	5 Nov 2010	Addition of requirements for Stock feed Section 4.5	VK

DISCLAIMER

The information in this standard is provided on the following basis. The phytosanitary requirements found in this standard may be used as the basis of export certification. However, requirements may be changed by importing countries at any time at short notice or with no notice to New Zealand. This information is provided strictly on the basis that the Crown, the Ministry of Agriculture & Forestry, its statutory officers, employees, agents and all other persons responsible for or associated with the compilation, writing, editing, approval or publication of the information:

1. disclaim any and all responsibility for any inaccuracy, error, omission, lateness, or any other kind of inadequacy, deficiency or flaw in, or in relation to, the information; and
2. without limiting (1) above, fully exclude any and all liability of any kind on the part of all of them, to any person or entity that chooses to rely on this information

Compliance with this standard is not to be taken as a guarantee that any particular goods will be granted access to any overseas market.

1 General Information

1.1 For enquires about this standard email the Plant Exports Group: plantexports@maf.govt.nz

To help Exports process your email please record in the subject line of your email descriptive keywords which are relevant to your enquiry i.e. ICPR enquiry-Country-specific details.

For urgent enquiries phone or fax the Plant Exports Group
Telephone: 64 4 894 0515
Fax: 64 4 894 0733

1.2 Scope

This standard specifies Norfolk Island's phytosanitary requirements for the stated commodities only. If a commodity or commodity grouping is not identified within Section 3 or Section 4 exporters should contact:

Norfolk Island directly in order to ascertain requirements.

or

MAF Biosecurity New Zealand (Plant Exports) (MAFBNZ). Please note, the determination of phytosanitary requirements is undertaken on a cost recovery basis

Users of this document are strongly advised to review all sections of the EPS for the determination of a commodity's phytosanitary requirements.

1.3 Phytosanitary Legislation

The following legislation controls the importation of plants and plant materials into Norfolk Islands:

Not specified by Norfolk Island

2 General Requirements

2.1 Prohibitions

Prohibited products may be allowed entry with an import permit issued by Norfolk Island

2.2 Phytosanitary Import Permits

Requirements not known

2.3 Phytosanitary Certificates

2.4 Quarantine Pests

2.5 Maximum Pest Limits (MPL's)

For all commodities exported to Norfolk Island requiring phytosanitary certificates, MPL's are:

Quarantine pests* specified by Norfolk Island	0.5%
Soil	25g/600unit

*Quarantine pests for Norfolk Island include organisms identified within:

- Section 2.4 of this standard
- Additional declarations
- Phytosanitary import permit

Note: Where an importing country does not specify any quarantine pests within the above, the MPL of 5% is to be applied for all injurious pests. Refer Section 4.14.4 of PEO.OAR

2.6 Ports of Entry

2.7 Inspection on Arrival

2.8 Sampling Rate

2.9 Transit Requirements

2.10 Re-Export Requirements

3 Commodity Class Requirements

3.1 Fruit and Vegetables

3.1.1 Fresh Fruit and Vegetables

Prohibited unless stated otherwise in Section 4

Edible portion of any plant including seed, nut, skin, peel or shell and including grains, roots and tubers but not including plants (any member or part of any member of the plant kingdom).

SPECIFIC CONDITIONS:

All prohibited except for edible nuts (Import permit required). An

exemption is made for preserved, frozen, dried or cooked plant products prepared ready for cooking or eating or plant products processed by grinding, crushing or rolling, wood and wood products or clothing.

3.1.2 Frozen Fruit and Vegetables

General Frozen

Prohibited except for commodities listed in 4.1.3

Vegetables

General

Prohibited unless stated otherwise.

Edible portion of any plant including seed, nut, skin, peel or shell and including grains, roots and tubers but not including plants (any member of the plant kingdom).

SPECIFIC CONDITIONS:

All prohibited except for edible nuts and garlic/onions. (Import permit required). An exemption is made for preserved, frozen, dried or cooked plant products prepared ready for cooking or eating or plant products processed by grinding, crushing or rolling, wood and wood products or clothing.

3.2 Cut Flowers & Foliage

Import permit required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Any member or part of any member of the plant kingdom not including fruit (edible portion of any plant including seed, nut, skin, peel, or shell and also including grains, roots, and tubers (unless otherwise stated)).

CONDITIONS:

Must be free of pests and diseases. Subject to inspection on arrival. Must be free from soil. Packed in clean new bags or containers other than grass or straw. Must be fumigated to destroy all insect pests before dispatch with details of treatments recorded on the phytosanitary cert in treatment section.

ADDITIONAL DECLARATION:

“As stated on the import permit and/or detailing treatments the plants have been subjected to prior to dispatch.”

3.3 Nursery Stock

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Any member or part of any member of the plant kingdom not including fruit (edible portion of any plant including seed, nut, skin, peel, or shell and also including grains,

roots, and tubers (unless otherwise stated)).

CONDITIONS:

Subject to inspection on arrival. Must be free from soil. Packed in clean new bags or containers other than grass or straw. Must be fumigated to destroy all insect pests before dispatch with details of treatments recorded on the phytosanitary certificate in treatment section.

ADDITIONAL DECLARATION:

“As stated on the import permit and/or detailing treatments the plants have been subjected to prior to dispatch.”

3.4 Seeds, Grains and Nuts

All prohibited except for beans and mushroom spawn

Any member or part of any member of the plant kingdom not including fruit (edible portion of any plant including seed, nut, skin, peel, or shell and also including grains, roots, and tubers (unless otherwise stated)).

3.5 Growing Media

4 Commodity Specific Requirements

4.1 Fresh Fruit and Vegetables

Prohibited unless stated otherwise.

Edible portion of any plant including seed, nut, skin, peel or shell and including grains, roots and tubers but not including plants (any member or part of any member of the plant kingdom).

SPECIFIC CONDITIONS:

All prohibited except for edible nuts (Import permit required). An exemption is made for preserved, frozen, dried or cooked plant products prepared ready for cooking or eating or plant products processed by grinding, crushing or rolling, wood and wood products or clothing.

Allium sativum

Garlic

Import permit required. Phytosanitary Certificate & Additional Declaration Required.

CONDITIONS:

The consignment must be accompanied by an exporters declaration that the onions/garlic were grown in one of the following districts of New Zealand:-

Katikati, Rangitikei, Manuawatu, Hawke's Bay, Nelson, Blenheim, Ashburton, Northland, Pukekohe

Onions/garlic must be clean and free of soil and packed in clean new

bags/boxes which are clearly marked "Not for Growing". Upon arrival the consignment will be examined by a authorised officer prior to release. The presence of white rot (*Sclerotium cepivorum*) or Neck rot (*Botrytis* spp.) will necessitate the destruction of the consignment.

ADDITIONAL DECLARATION:

"The disease Onion smut (*Urocystis cepulae*) does not occur in the district in which the garlic/onions were grown."

And for;

Allium sativum Garlic

ADDITIONAL DECLARATION

"The garlic/onions have been inspected and found free from White rot (*Sclerotium cepivorum*) and Neck rot (*Botrytis* spp.)."

Allium cepa Onion

Import Permit Required. Phytosanitary Certificate & Additional Declaration Required.

ADDITIONAL DECLARATION:

"The disease Onion smut (*Urocystis cepulae*) does not occur in the district in which the garlic/onions were grown."

4.1.3Frozen Fruit and Vegetables

Castanea sativa Chestnut

Import permit required.

Corylus spp Hazelnut

Import permit required.

4.2 Cut Flowers and Foliage

Import permit required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Any member or part of any member of the plant kingdom not including fruit (edible portion of any plant including seed, nut, skin, peel, or shell and also including grains, roots, and tubers (unless otherwise stated)).

CONDITIONS:

Must be free of pests and diseases. Subject to inspection on arrival.

Must be free from soil. Packed in clean new bags or containers other than grass or straw. Must be fumigated to destroy all insect pests before dispatch with details of treatments recorded on the phytosanitary cert in treatment section.

ADDITIONAL DECLARATION:

"As stated on the import permit and/or detailing treatments the plants have been subjected to prior to dispatch."

Alstroemeria spp .Peruvian lily

Import Permit Required. Phytosanitary certificate and Additional

Declaration (detailing treatment) required.
Cymbidium spp. Cymbidium
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required.

Dendranthema spp. Chrysanthemum
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required.

Dianthus caryophyllus Carnation
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required.

Freesia spp.
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required.

Gypsophila spp.
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required.

Liliaceae Lillies
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required.

Leucodendron spp. Protea
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required.

Phalaenopsis spp. Moth Orchid
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required.

Phormium spp. Flax
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required.

Protea spp. Protea
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required.

Rosa spp. Rose
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required.

Tulipa spp. Tulip
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required.

Typha latifolia Bull Rush
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required.

4.3 Nursery Stock

Import permit required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Any member or part of any member of the plant kingdom not including fruit (edible portion of any plant including seed, nut, skin, peel, or shell and also including grains,

roots, and tubers (unless otherwise stated)).

CONDITIONS:

Subject to inspection on arrival. Must be free from soil. Packed in clean new bags or containers other than grass or straw. Must be fumigated to destroy all insect pests before dispatch with details of treatments recorded on the phytosanitary certificate in treatment section.

ADDITIONAL DECLARATION:

“As stated on the import permit and/or detailing treatments the plants have been subjected to prior to dispatch.”

Abies spp.

Fir

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Abutilon spp.

Flowering maple

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Acacia spp.

Wattles

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Acer spp.

Maple

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Acmena smithii

Lillypilly

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Actinidia deliciosa

Kiwifruit

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Adiantum spp.

Maidenhair fern

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Aegle marmelos

Bael tree

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Aesculus hippocastanum

Horse Chestnut

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

stock)
Agave spp. Century Plant
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Agropyron spp. Couch
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Alcea rosea Hollyhock
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Aleurites moluccana Indian Walnut
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Allium cepa Onions
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Alnus spp. Alder
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Amaranthus spp. Amaranth
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Amelanchier spp. Sugar plum bush
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Anacardium occidentale Cashew nut
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Anemone spp. Windflower
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Annona reticulata Custard apple
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Annual Plants

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Antirrhinum spp.

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Arachis hypogaea Peanut

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Araucaria araucana Monkey puzzle tree

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Areaceae Areaceae Family

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Aronia spp. Chokeberry

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Arundinaria spp. Bamboo cane

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Asclepias spp. Milkweed

Phytosanitary Certificate required.

Aurantoideae

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Azalea spp. Azalea

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Baccharis spp.

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Bambusaceae Bamboo

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Bellis spp. Daisy

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Berberidaceae

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Berberis spp. Barberry

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Beta spp. Beet

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Betula spp. Birch

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Bouvardia spp. Bouvardia

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Brassicaceae

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Bromeliaceae Pineapple family

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Bulbs and Corms

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Buxus spp. Box tree

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Cactaceae Cacti

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Calendula officinalis Marigold

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

stock)
Callistephus chinensis China Aster
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Calluna spp. Heather
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Capsicum spp. Pepper
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Carpinus spp. Hornbeam
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Caryophyllaceae Pinks
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Castanea pumila Chinquapin
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Castanea spp. Sweet chestnut
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Cedrus spp. Cedar
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Centaurea cyanus Cornflower
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Centrosema spp. Butterfly pea/Conchita
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Chaenomeles spp. Flowering quince
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Chamaecyparis lawsoniana Lawsoniana

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Cheiranthus cheiri English wallflower

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Chimonobambusa spp. Bamboo

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Chrysanthemum spp. *Chrysanthemum* spp.

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Citrus spp. Citrus

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required.

ADDITIONAL DECLARATION:

“These plants were grown in an area known to be at least 32 kilometres from any area where Citrus gall wasp (*Eurytoma bruchofagus fellis*) occurs.”

Compositae/Asteraceae

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Coprosma spp. *Coprosma*

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Cortaderia spp. Pampas Grass

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Corylus spp. Hazelnut

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Cotoneaster spp. Rock Spray

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Crataegus spp. Hawthorn

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Cyclamen spp. Persian Violet
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Cyperus spp. Gallingale/Unbrella Sedge
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Cyphomandra betacea Tamarillo
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Narcissus spp. Daffodil
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Dahlia spp. Dahlia
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Daphne spp. Daphne
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Datura spp. Thorn apple
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Delphinium spp. Delphinium
 Phytosanitary Certificate required.

Dendranthema spp. Chrysanthemum
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Dendrocalumus spp. Giant bamboo
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Digitaria spp. Summer/Crab/Finger Grass
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Diospyros spp. Persimmon
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Durio zebethinus Durian
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Eichhornia crassipes Water hyacinth
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Elaeis guincensis Oil palms
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Elephantopus spp.
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Erica spp. Heath
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Eriobotrya japonica Loquat
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Erythrina spp. Coral tree
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Eucalyptus spp. Gum tree
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Euonymus spp. Spindle Tree
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Exochorda spp. Pearl bush
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Fagus vulgaris Beech tree
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Ficus spp. Fig
 Import Permit Required. Phytosanitary certificate and Additional

Declaration (detailing treatment) required. Refer - General (Nursery stock)

Fragaria spp. Strawberry

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Fraxinus spp. Ash

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Gerbera jamisonii Transvaal Daisy

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Glycine max Soya bean

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Gossypium spp. Cotton

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Graminae

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Gypsophilla spp. Babies Breath

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Hedera spp. Ivy

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Helianthus spp. Sunflower

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Heliotropium europeanum Heliotrope

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Hibiscus spp. Mallow

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Hippeastrum spp. Barbados Lily
Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Humulus spp. Hops
Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Hycopochium feras
Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Hydrangea spp. Hydrangea
Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Hyptis emoryi Desert Lavender
Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Invisa nigra
Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Ischaemum rugosum
Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Jasminum spp. Jasmine
Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Juglans spp. Walnut
Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Juniperus spp. Juniper
Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Kerria spp. Japanese Rose
Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Larix spp. Larch
Import Permit Required. Phytosanitary certificate and Additional

Declaration (detailing treatment) required. Refer - General (Nursery stock)

Laurus spp. Sweet Bay/Laurel

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Leguminosae Pea family

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Leucaena spp. White popinac

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Leucopogon spp. Heath (Otago)

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Ligustrum spp. Privet

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Linum spp. Flax

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Lonicera spp. Honeysuckle

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Maclura spp. Bowwood tree

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Mahonia spp. Oregon Grape

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Malcomia maritima Virginia Stock

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Malus sylvestris var. *pumila* Apples

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Malvaceae Mallow family
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Manihot spp. Tapioca plant
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Matthiola incana Stock
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Mespilus spp. Medlar
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Miscanthus sinensis Eulalia
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Morus nigra Mulberry (Black)
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Nerium spp. Oleander
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Nothofagus spp. New Zealand Beech
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Ocalmus spp.
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Opuntia spp. Prickly pear cactus
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Orchidaceae Orchid
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Palmaceae Palms
 Import Permit Required. Phytosanitary certificate and Additional

Declaration (detailing treatment) required. Refer - General (Nursery stock)

Panicum miliaceum Millet

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Papaver nudicaule Iceland poppy

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Passiflora spp. Passionfruit

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Pelargonium spp. Geranium

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Persea americana Avocado

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Pharbitis calystegia

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Philadelphus spp. Mock Orange

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Phyllostachys spp. Bamboo

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Picea spp. Spruce

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Pinus spp. Pine

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Planera spp. Planera trees/Water Elm

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Plants from the wild

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Platanus spp. Plane Tree/Sycamore

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Pleioblastus spp. Arundinaria

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Pomeae Pomeae

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Cyathea spp./*Dicksonia* spp .Ponga

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Populus spp. Poplar

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Solanum tuberosum Potato

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Potentilla spp. Cinquefoil

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Prunus spp. Stonefruit

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Pseudosasa spp. Bamboo

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Ptelea spp. Shrubby Trefoil/Hop Tree

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Pyrus communis Pear

Import Permit Required. Phytosanitary certificate and Additional

Declaration (detailing treatment) required. Refer - General (Nursery stock)

Pyrus pyrifolia Nashi Pear

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Quercus spp. Oak

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Rhamnus spp. Buckthorn

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Rhizomes

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Rhododendron spp. Rhododendron/Azalea

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Ribes spp. Currant/Gooseberry

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Rosa spp. Roses

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Rottboellia exaltata

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Rubus spp. Bramble

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Salix spp. Willow

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Salvinia spp. Salvinia

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Sandersonia spp. Sandersonia
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Sasa spp. Bamboo
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Semiarundinaria spp. Bamboo
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Senecio spp. Groundsel
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Shibataea spp. Bamboo
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Sida hermaphrodita Virginia Mallow
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Simmondsia chinensis Jojoba
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Sinarundinaria spp.
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Sinningia spp. Gloxinia
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Solanaceae Nightshade family
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Sorbaria spp. False Spiraea
 Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Spiraea spp. Bridal Wreath/Spirea
 Import Permit Required. Phytosanitary certificate and Additional

Declaration (detailing treatment) required. Refer - General (Nursery stock)

Stachytarpheta spp..

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Sterculiaceae

Sterculia family

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Stransvaesia spp.

Stransvaesia

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Symphoricarpus. spp.

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Tilia spp.

Lime Tree

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Nicotiana spp.

Tobacco

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Triumfetta spp.

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Tubers

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Tulipa spp.

Tulips

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Ulmus spp.

Elm

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Urena lobata

Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Vaccinium corymbosum Blueberry
Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Verbena hybrida Verbena
Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Viburnum spp. Viburnum
Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Viola spp. Pansy
Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Vitis spp. Grape
Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Wisteria spp. Wisteria
Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Xanthium italicum
Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Zelkova serrata Japanese Zelkova
Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

Zingiber officinalis Ginger
Import Permit Required. Phytosanitary certificate and Additional Declaration (detailing treatment) required. Refer - General (Nursery stock)

4.4 Seeds, Grains and Nuts

Prohibited unless stated otherwise.

Edible portion of any plant including seed, nut, skin, peel or shell and including grains, roots and tubers but not including plants (any member or part of any member of the plant kingdom).

SPECIFIC CONDITIONS:

All Prohibited except for edible nuts (Import permit required). An exemption is made for preserved, frozen, dried or cooked plant

products prepared ready for cooking or eating or plant products processed by grinding, crushing or rolling, wood and wood products or clothing.

CONDITIONS:

Subject to inspection on arrival. Must be free from soil. Packed in clean new bags or containers other than grass or straw. Must be fumigated to destroy all insect pests before dispatch with details of treatments recorded on the phytosanitary cert in treatment section.

ADDITIONAL DECLARATION:

“As stated on the import permit and/or detailing treatments the plants have been subjected to prior to dispatch.”

Phaseolus vulgaris Bean

Prohibited unless specific conditions below are met.

CONDITIONS: Restricted entry: The variety must have official NFI approval (approved varieties and strains are notified in the NFI gazette). Import permit, Phytosanitary Certificates and Additional Declaration required.

ADDITIONAL DECLARATION:

“The plants from which these seeds were produced were inspected and found to be free from Halo blight (*Pseudomonas phaseolicola*), American common blight (*Xanthomonas phaseoli*) and Anthracnose (*Colletotrichum lindemuthianum*).”

4.5 Miscellaneous

Agaricus bisporus/bitorquis Mushroom Spawn

Phytosanitary Certificate required.

Must be free from soil. Packed in clean, new containers.

Stock Feed

Phytosanitary certificate and Import Permit not required
