

Providing feedback on the Hazard Database

We would appreciate your comments on the Hazard Database. If you would like to comment, or provide information to plug a gap, please fill in this form and email it to: hazard.database@mpi.govt.nz

Feedback will be considered on a case-by-case basis.

If you are suggesting an addition to the database, please provide the following information using the form below (ensure that you complete all fields).

1. Is this a new or existing type of food?
2. Describe the hazard information relating to this type of food.
3. Describe the source of each hazard.
4. Describe the justification (for each hazard), including a link to information that provides evidence for your justification.
5. Describe the control measure (for each hazard).

Thank you for your comments.
