

Amendment 1: Code of Practice: Processing of Bee Products Part 5: RMP Templates

Date: 6 June 2006

1 Background

1.1 This section provides guidance on completion of the RMP templates for bee product processing. A request has been made to clarify the requirements for Business Identifiers as this has been causing some confusion.

2 Amendment Details

2.1 Major alterations/changes are highlighted in the text of the amendment.

2.2 Please sign off and date the Amendment Record, and file this update letter in the back of your publication for quick reference.

2.3 The follow table summarises the amendments.

Remove section(s)

Prelims

Sections 1 – 4

Insert new section(s)

Prelims

Sections 1 – 4

3 Implementation

On date of signing.
