Request For Services From The Animal Exports team

The Ministry for Primary Industries (MPI) Animal Exports team is unable to give estimates or quotes due to the variability of time required to negotiate with overseas countries.

Charges for all work apply irrespective of the outcome of the request.

Method of Payment (tick preferred option below)

Market access, equivalences or dispensations: Market access, equivalence or dispensation work is charged in 15 minute increments with the minimum time charged being 30 minutes.

The Animal Exports team will contact the exporter, after 5 hours of work has been completed on a request, to discuss whether the exporter wishes to continue.

While MPI will use best efforts and reasonable care in the conduct of any negotiations, it cannot guarantee any particular outcome and is not liable for any direct or indirect loss suffered by the exporter as a result of failure to achieve that outcome.
