

SCOPE OF OPERATIONS

CUSTOM FOOD CONTROL PLAN BUSINESSES

What does 'Scope of Operations' mean?

The term 'Scope of Operations' is used to describe the activities of your food business and also includes:

- the sector(s) a food business operates under the Food Act 2014,
- what products a food business makes and/or sells,
- how products are sourced and/or supplied,
- how products are processed, if applicable, and
- how products are sold.

Why do I need to complete a 'Scope of Operations'?

If you are operating a food business you need to tell your local council or Ministry for Primary Industries (MPI) exactly what your business does.

What do I need to do?

Complete this form and submit it with your application for registration to your local council or MPI.
