Beeswax:Niue

CTO direction to biosecurity inspectors for the clearance of beeswax from Niue

Pursuant to section 27(1)(d)(iii) of the Biosecurity Act 1993 I Lou Gallagher, Ministry for Primary Industries (under delegated authority), give the following directions for beeswax from Niue to be given clearance in accordance with the following measures, different from those in the applicable import health standard Beeproic.all:

The beeswax must be accompanied by a Zoosanitary Certification issued by the veterinary authority of Niue certifying that the beeswax comes from that country, and that the country is free from European Foulbrood caused by *Melissococcus pluton*.

This direction takes effect from the date of signing and continues in effect until amended or revoked.

Signed at Wellington this 3rd day of September, 2013

A handwritten signature in blue ink that reads "Lou Gallagher".
