

Fruit and Vegetable Retailers Host List

This list is intended as guidance material only for retailers for determining fruit and vegetables subject to movement controls described in Controlled Area Notice dated 15 February 2019 and the Notice of Revocation and Replacement of Movement Controls dated 17 February 2019. It is not an exhaustive list of fruit and vegetable subject to movement controls. Note if your product does not appear on this list it may still be subject to movement controls. In case of doubt please phone 0800 80 99 66.

No domestically produced fruit grown within the Controlled Area may be sold. For example banana (*Musa* sp.).

Host name	Common name
