

Appendix 1: CTO Direction – [redacted] for stockfeed production

CTO 20140017

Pursuant to sections 27 and 104 of the Biosecurity Act 1993 I, [redacted] give the following directions for all imported consignments of Home'N'Dry pellets for stockfeed production to be issued with permits with the following equivalent conditions:

1. Consignments must be accompanied by an original Manufacturer's Certificate declaring the following:
 - Name and address of manufacturer (company letterhead)
 - Date of declaration
 - Name of product
 - Declaration that the soybeans have been hammermilled prior to pelletising and have been manufactured in a mill dedicated to the production of [redacted] pellets.
 - Details relating the statement/declaration to the product e.g. airway bill, bill of loading, container no., batch/serial no. or invoice.
 - Signature of a responsible person within the company.
2. Inspection of the product on arrival may be required as specified in Section 7.5 of the Import Health Standard *Importation into New Zealand of Processed Animal Feeds of Plant Origin*.
