Hi s 9(2)(a)

Can you help me with something please?

s 9(2)(a) at the Marae sent me the attached email last Friday. Attached to [redacted] email is some very useful information about how to get to the Marae etc., however in that same document there is

information about a powhiri. I haven't come across this before, and assume that this is just general information that goes out to everyone who hires the Marae, especially as there is also information in that document about staying overnight at the Marae (which we aren't).

s 9(2)(a) suggested I check with you about whether this is expected at this particular Marae. We don't want to be dissuading anyone from the local community from attending because of uncertainty about protocols, so would prefer that we are just jointly holding a general public meeting.

Thanks for your advice.

Kia ora s 9(2)(a) and s 9(2)(a)

Thanks for being so prompt with your replies.

I've let s 9(2)(a) know, and s 9(2)(a) has put 7pm, 12 Nov. into Ta Mark's diary. s 9(2)(a) has confirmed our booking for the Marae.

In terms of other logistics:

#### Consultation

I'm planning to put a public notice in the Marlborough Express on Wed, 14 Oct. (to meet the notification requirements of the South Island regs), and then follow up notices on Wed, 4 Nov. in the Kaikoura Star; and Sat, 7 Nov. in the Marlborough Express (i.e. the week before the meeting). Hopefully these newspapers and dates are OK with you.

The public notice will notify the meeting and invite submissions from the local community (probable closing date for submissions is 18 December).

I will also put something on MPI's website about the consultation, and let commercial fishing representative organisations know (they will be given an opportunity to make submissions next year).

██████ suggested that a representative from Te Korowai, the Zone Committee, and the District Council be invited to the meeting. Given that you will know the appropriate people, may I leave that to you?

The meeting is run jointly by the Runanga and MPI. We will have a PowerPoint presentation prepared.

Thursday and Friday

s 9(2)(a) ██████ (Spatial Allocations Manager), s 9(2)(a) ██████ (Spatial Allocations Team Manager) and I should get to Kaikoura Thursday afternoon, driving from Nelson. We'd like to be able to meet with someone from the Runanga, and have a look at the proposed areas. Are you able to organise someone being available?

We will also be available on Friday morning, if necessary, for further discussion.

Please feel free to phone or email me.

Kind regards

██████

Are you able to attend a public meeting on Thursday 12 November, at the Takahanga Marae, regarding the three mataitai applications at Kaikoura?

This is the only date that Sir Mark is available in November. The Marae is also available on this date.

I have tried phoning your mobiles, but couldn't get through to your messaging services.

I need to get a public notice about the application into the Marlborough Express early next week, so if you are able to respond today that would be great.

Thanks
