Discussion

- The Primary Sector Council's (PSC) ninth meeting was held on 31 January 2019 in Wellington.
- The overall objectives of this meeting were:
 - Finalise industry stakeholder engagement plan
 - Review final vision statement
 - Discuss the vision video/story for vision deck
 - MBIE seeking advice on consulting on potential new H&S updates.
 - Discuss Taiao workstream
 - Discuss Marketing NZ's Food and Fibre and NZ Cuisine
 - Discuss the National Capability workstream
 - Connect with the Farming Leaders Forum
- The stakeholder plan was discussed and members of the PSC were allocated stakeholders who they are to lead the engagement with.
- The draft vision statement was reviewed by the full group to ensure there is accuracy towards Maori references and concepts. This was discussed along with the video where the first draft will be ready by the next PSC meeting on 21 February 2019.
- MBIE sought advice from the PSC on how to engage with the primary sector with potential new H&S requirements.
- The Taiao workstream, National Capability workstream and marketing of New Zealand's food system discussions were deferred to the 21 February 2019 meeting.

- The Farming Leaders Group (FLG) were invited to discuss the draft vision statement with the PSC in the afternoon. The vision and discussion was well received. This was followed by a dinner with the PSC, FLG and Minister O'Connor.
