

## Release of Cabinet Paper

PRO19-0033

These documents have been proactively released:

- 17 June 2019, **National Animal Identification and Tracing: Additional Policy to Protect and Secure Future Access to Information**  
Biosecurity and Animal Welfare, Cabinet Economic Committee  
Policy and Trade

This paper seeks approval of proposals for inclusion in a National Animal Identification and Transfer (NAIT) Amendment Bill (the Bill) and amendment regulations, and authorisation to proceed to drafting. The changes address the recommendations of the NAIT Review as well as lessons from the *Mycoplasma Bovis* response, to improve the NAIT scheme and make it fit for the future.

Some parts of this information release would not be appropriate to release. Where this has occurred, the reason for redacting the information is noted.

### Redaction notations:

- **Privacy)** information withheld to protect the privacy of natural persons, including that of deceased natural persons.
- **Commercial sensitivity)** information withheld as it relates to the commercial details of a third party.
