

Overseas Market Access Requirements Notification - Animal Products Act 1999

Regulation & Assurance Branch, Animal & Animal Products Directorate, Ministry for Primary Industries

Ref: AE-ET-09L
Date: 12 May 2015

DOMANIEC.ET 15 MAY 2015 – DOGS AND CATS TO ETHIOPIA

1. Statutory authority

Pursuant to section 60, section 60A, section 62(1) and section 167 of the Animal Products Act 1999 I notify the following:

- (i) the issue under section 60 of the overseas market access requirements for dogs and cats to Ethiopia DOMANIEC.ET dated 15 May 2015;
- (ii) the determination under section 62(1) of the format and content of the official assurance for dogs and cats to Ethiopia.

This notice takes effect from 15 May 2015.

Dated at Wellington this 13th day of May 2015.

Signed: Howard Pharo
Manager Import and Export Animals
Animal & Animal Products Directorate
Regulation & Assurance Branch
(acting under delegated authority)

2. Ethiopia requirements

Dogs and cats exported from New Zealand to Ethiopia must be accompanied by an Official Assurance in the form of a completed zoosanitary certificate.

The zoosanitary certificate as specified below must be completed and certified, after due enquiry, by an Official Veterinarian of the Ministry for Primary Industries.

Explanatory note:

If the zoosanitary certificate is not certified then the dogs and cats do not satisfy the conditions in the notice. Likewise, if the dogs and cats do not satisfy the zoosanitary requirements in the certificate, then the certificate will not be certified.

Certificate No:

NEW ZEALAND MINISTRY FOR PRIMARY INDUSTRIES

NOTE: The Official Veterinarian must sign, date and stamp each page of the veterinary certificate, and, where applicable, all documents (e.g. laboratory reports) that form part of the extended health certification.

EXPORT CERTIFICATION

(This is not part of the official certification)

COMMODITY: **DOGS AND CATS**

COUNTRY: **ETHIOPIA**

NOTES: This is a new export certificate based on the import conditions provided by the exporter through Veterinarian Dr. Sisay Guta in Ethiopia.

1. The export certificate must be accompanied by supporting documentation, including vaccination details. The documentation must bear identification details of the animal(s) concerned.
2. The export certificate is valid for ten (10) days after being issued.

Section 61A of the Animal Products Act 1999 states that 'The Crown is not liable, and nor is the Director-General or any employee of the Ministry liable, for any loss arising through the refusal or failure of the relevant authority of an overseas market to admit export animal material or animal product to that market'.
